Dear Supporters of Homme Home:

At Homme’s Wittenberg campus we continue to conduct routine Covid testing of staff and residents. We conduct the testing to ensure safety for our residents and staff.

Per policy any resident positive for Covid is quarantined, and Covid positive employees are isolating away from the facility.

Per CMS guidelines, visitation is allowed, however all visitors must be screened and wear masks. If a visitor is experiencing signs and symptoms of Covid they will need to refrain from visiting.

Below is a grid of active Covid positive cases at our Wittenberg campus.

Assisted Living Residents	0
Employees (including contracted and agency staff)	1

Questions regarding Covid can be directed to Tara Hoppe-Schmidt, RN CBRF Administrator tarah@homme.org. Regular updates will be posted on www.homme.org on the COVID 19 Information Tab.

Sincerely,

Justin Cieslewicz
Executive Director
